

# ONLINE YOUTH COURT DIALOGUE

An online dialogue between youth court participants in the U.S. & abroad

Are you ready to take your involvement with the Youth Court Program to the next level?

You've served as a judge, juror, attorney, bailiff... now you have the opportunity to be an ambassador.

As a Youth Court ambassador, you will participate in an international online dialogue, coordinated by Youth Service America, bringing together participants from the Youth Court Program in the United States and participants from around the world. Facilitated through the exciting and innovative TakingITGlobal online networking space and other social networking web sites, participants will share Youth Court experiences and discuss issues related to service, civic engagement, and culture. Topics will be decided by participants. Because this forum is online, anyone can participate.

If you are interested in participating, either as an individual or as a group, please e-mail [dhatcher@ysa.org](mailto:dhatcher@ysa.org) or call 202-296-2992 (x118) today for more information. Spaces are limited, so sign up now to be involved in this exciting and unique experience.
