

Managing Your Organizational Account on TakingITGlobal.org

As an organization that is listed in TakingITGlobal's Organizational Database that is run in partnership with the Global Youth Action Network, you have the ability to update your organizational profile and post relevant opportunities for youth, upcoming events that your organization is hosting, along with any resources that might be of interest to our community of over 100,000 members in over 190 countries!

In order to view the public listing of your organization, go to <http://organizations.takingitglobal.org> and search for your organization.

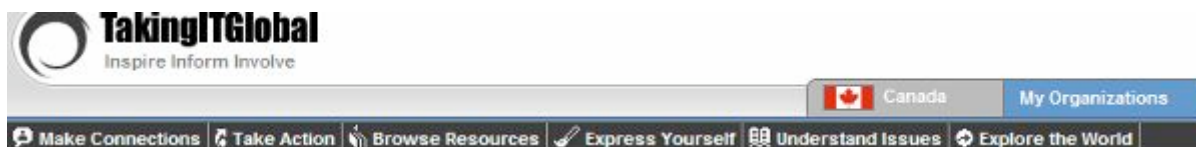

Step 1: Claiming Ownership Over Your Organizational Account

When your organization was added to TakingITGlobal, you should have received an e-mail that provided you with instructions about how to claim ownership over your organizational account (see *attached*). There are instructions for those who are already members of TakingITGlobal, along with those who are not yet signed up. It is possible to have multiple contacts within a single organization.

Step 2: Accessing Your Organizational Account Administrative Page

In order to make changes to the information that appears on your organizations listing, you need to go to <http://manage.takingitglobal.org> and login using the username and password that you used when signing up to TakingITGlobal.org.

When logged into TakingITGlobal, you can always access the Organization Administration section by clicking on the "My Organizations" tab in the page header:

Step 3: Modifying Information and Adding Opportunities & Resources

Once you are logged in, you will see the current information we have on your organization listed on the page. If you want to change the information we have, you can click "Edit Info". If you want to view the page on our site that displays this information, you can click "View Public Listing".

On the left hand side, under "Submit a new...", you can click Event, Professional Opportunity, Financial Opportunity, or "Toolkit or Publication" to submit one of these items to be listed on and affiliated with your organization profile.

On the bottom right of the page, you can add additional listing managers (who must already be signed up as TakingITGlobal members) who can also have permission to update and add to your organization's profile. You can also change settings to allow TakingITGlobal members to state their affiliation to your organization, or you can choose to manage this listing yourself, and add members to your profile individually.

APPENDICIES

Below is a sample e-mail that is sent to organizations once they have been added to the Opportunities Database:

Hello!

I'm contacting you because the organization you're a contact for, ****Name of Organization****, has been added to TakingITGlobal's Organizations Database. You can view your listing here:

**** link to listing of your organization ****

TakingITGlobal is a youth-led organization that aims to inspire, inform, and involve young people in the world. One of the ways that we inform and involve is through our online databases of Organizations, Events, and Opportunities.

To help you ensure the accuracy of our information, and to give you opportunities to promote your initiatives, we have created a web-based tool to allow you to edit your organization's contact information and descriptions, as well as posting Events and Opportunities you're offering.

Not only are our databases displayed and available through our site, but we also share the information within them with several other organizations on a co-branded basis.

To get started, you will need to sign up on our site to get a username and password, which you must do through this URL for our system to properly give you ownership over your organization's information:

**** customized URL PROVIDED - signing up on TakingITGlobal ****

If you are already a TakingITGlobal Community member, please use the following link instead, which will allow you to associate your current membership with this organization automatically:

**** customized URL PROVIDED - associating current TIG membership ****

If you're not the right person within your organization for this message, please pass it on! If you're not affiliated with this organization, please reply to this e-mail and let me know!

I look forward to working with you!

Best Regards,

Member Services

VISION/MISSION

To realize the potential of at least 5 million young people as leaders for the benefit of their local and global communities.

To bridge the 'continuity gap' - enhancing the effectiveness of youth action by connecting all major youth activities, events, programs and initiatives in a global network.

To mainstream recognition that young people are key stakeholders in all national and international policy making.

To produce the world's most comprehensive and powerful knowledge resource - pushing the boundaries of online community and technology as a tool for social empowerment.

To instigate significant evolution in the present concepts of school-education by increasing global connection, meaningful use of ICT's (information and communication technologies) and inspiring student engagement.

To demonstrate innovation, excellence, creativity and professionalism in the management of a new style of international organization that is entrepreneurial, technology-enhanced, and youth-driven.

WHAT DOES THE ORGANIZATION DO?

TakingITGlobal (TIG) is an international organization, led by youth, empowered by technology. tig brings together young people in more than 200 countries within international networks to collaborate on concrete projects addressing global problems and creating positive change....
