GU Centre Program : Global Unification will introduce to developing communities, GU Centres that will provide Internet access, secretarial services, postal services and communication services.

GU Centres will also host and co-ordinate our Five Pillars Domain Program.

- 1. GU Centres** : this program will provide IT knowledge and skills and linguistics as our priority for assisting in the eradication of ignorance and illiteracy by developing a system whereby we train the trainers.
- 2. Advocacy, Lobbying & Campaigning** : this program is designed to unite policy makers and grassroot people from developing communities for the common goal of advancing humanity, enabling a richer environment for the successful implementation and application of policies for the continued evolution of co-operation.
- 3. Youth Affairs** : this program has as it's sole objective the promotion, protection, defense and assistance for the successful implementation and application of adopted policies for the advancement of youths.
- 4. Women Affairs** : Indicators reveal that the population of women is growin rapidly, and still they remain among the most vulnerable to communal difficulties and crises, thus making it imperative for us to join hands in advancing the lives of women. This program has as it's sole objective the promotion, protection, defense and assistance for the successful implementation and application of adopted policies for the advancement of women.
- 5. Children Affairs** : the Children Affairs program is our main priority when you consider the reality that children are the leaders of tomorrow and yet ar among the most vulnerable to crises and communal distress, therefore we

will be introducing educational methods best suited to prepare the children of the world for the responsibilities of the future. This program has as its sole objective the promotion, protection, defense and assistance for the successful implementation and application of adopted policies for the advancement of children.
